The Crystallettes

The DFSC Crystallette Synchronized Skating Teams are successful competitors at the sectional, national, and international levels. With ten levels of synchronized skating teams, the ages of our competitors range from 4 years old on our beginner team to 40 years of age on our adult team. We are truly an organization where you are never too old to experience the love of the sport!

Proceeds will be used to offset team competition travel expenses. The Senior Team competed in Salzburg, Austria in 2015 and will once again be representing the United States of America in Europe in 2016. Our Preliminary, Pre-Juvenile, Juvenile, Intermediate, Novice, Junior, and Senior Teams will be competing at the US Figure Skating Sectional Championships in Portland, Oregon in January 2016. Should they place in the top four, they will advance to the US National Championships in Kalamazoo, Michigan in February 2016.

The Golf Course

This well maintained course features wide open Bent Grass fairways with a few tree lined holes. The terrain is flat, and a scenic river flows alongside the back of the course. The back nine also has a few dogleg fairways and all greens are immaculate.
