The DFSC Crystallette Synchronized Skating Teams are successful competitors at the sectional, national, and international levels. With nine levels of synchronized skating teams, the ages of our competitors range from 4 years old on our beginner team to 40 years of age on our adult team. We are truly an organization where you are never too old to experience the love of the sport!

Proceeds will be used to help offset competitors' expenses. The Senior Team competed in France in 2016 and will once again be representing the United States of America in Europe in 2017. Our Preliminary, Pre-Juvenile, Juvenile, Intermediate, Novice and Senior Teams will be competing at the US Figure Skating Sectional Championships in Grand Forks, North Dakota in January 2017. Should they place in the top four, they will advance to the US National Championships in Rockford, Illinois in February 2017.
