SKATER AWARDS CERTIFICATES

Please get a list of your skater's achievements together for the season May 1, 2018 - April 5, 2019 to be sure they receive a certificate commemorating their accomplishments. Include all tests passed and competition placements. Certificates are made for each skater from the information you provide. If we do not have the information, a certificate cannot be generated. You will be asked for this information when purchasing banquet tickets. Trophies and plaques are awarded on a point based system.

Please Note: Only those achievements occurring 5/1/18-4/30/19 **AND** while representing **DFSC** should be listed.

The deadline for entering this information is April 5th 2019.
